OA DISTANCE LEARNING

RESPECT

Respect your Start Time

Get organized BEFORE your class starts by having food already eaten, workspace organized, device charged, supplies ready, e-mails and Google Classrooms checked (including OA Way and Homeroom for announcements). Come ready to do your best and learn in new ways!

Respect your Teacher, Staff and Administrators

Your teacher, staff and administrators are working hard and trying new things. Be respectful and give professional feedback (private message) about what is working well and what could be better.

Respect your Classmates

Be kind and supportive. Keep all language professional. We are all in this together!

Respect your Learning Environment

Keep your mic on mute during class until you have a professional question or comment. Keep all language (text or spoken) professional at all times. Add to a positive learning environment!
